THE GROWING OF PEONIES IS A SPECIALTY WITH US

A most cordial invitation is extended to every flower lover to visit our nursery and see our peonies in bloom. In addition to the best standard varieties obtainable, we are growing the newer novelties and productions of real merit.

Mabel L. Franklin

Franklin's Seedlings are the result of 25 years of painstaking care in selection

and propagation. Be sure to see them on exhibition in our booth, No. 6, and on the exhibition floor.
